REGULATION 5

APPENDIX 1

SANCTIONS AND PROCEDURES

1. When imposing sanctions, the hearing committee dealing with and Sending Off and/or citing shall apply the World Rugby recommended penalties for Illegal and/or Foul Play set out hereunder.
2. The hearing committee shall undertake an assessment of the seriousness of the Player's conduct, which constitutes the offending and categorise the offence as being at the lower end, mid range or top end of the scale of seriousness in order to identify the appropriate entry point for consideration of a particular incident(s) where such incident(s) is expressly covered in Appendix 1. Such assessment of the seriousness of the Player's conduct shall be determined by reference to the following features of offending:
 - (a) The offending was intentional, that is, committed intentionally or deliberately;

- (b) The offending was reckless, that is the Player knew (or should have known) there was a risk of committing an act of Illegal and/or Foul Play.
- (c) The gravity of the Player's actions in relation to the offence:
 - (i) Nature of actions, manner in which offence committed including part of body used i.e. fist, elbow, knee or boot;
 - (ii) The existence of provocation and whether the Player acted in retaliation and or self-defence;
- (d) The effect of the offending Player's actions on the victim (i.e. extent of injury, removal of Player from game);
- (e) The effect of offending Player's actions on the game;
- (f) The vulnerability of victim Player including part of victim's body involved/affected, position of Player, ability to defend himself;
- (g) The level of participation in the offending and level of premeditation;
- (h) Whether the conduct of the offending Player was completed or amounted to an attempt;
 - (i) Any other feature relevant to the offending.

Based on the assessment of the offence(s) under consideration against the above features of offending, the hearing committee shall categorise the offence(s) as being at the lower end, mid range or top end of the scale of seriousness of offending and identify the applicable entry point where set out hereunder.

For offences categorised at the top end of the scale of seriousness of offending, the hearing committee is entitled to identify an entry point between the period shown as the top end hereunder and the maximum sanction. (The plus sign against each top end period of suspension denotes this entitlement to flexibility.)

3. Having identified the applicable entry point for consideration of a particular incident, the hearing committee shall identify all relevant aggravating factors and determine what additional period of suspension, if any, above the applicable entry point for the offence should apply to the case in question. Aggravating factors include the following:
 - (a) An absence or lack of remorse and/or contrition on the part of the offending Player;
 - (b) The Player's status as a persistent offender of the laws of the game¹;
 - (c) The need for a deterrent to combat a pattern of offending;
 - (d) Any other off field aggravating factor that the hearing committee considers relevant and appropriate.

¹ *The Player's disciplinary record in all competitions and (as appropriate) in other sports during his playing career from the age of 18 shall be considered by the hearing committee. In any case in which the hearing committee establishes that the player has previously been found by a hearing committee to have committed an act of Illegal and / or Foul Play and / or Misconduct, then the hearing committee in imposing any sanction on the player may in fixing that sanction take account of such offending as an aggravating factor.*

4. (a) Thereafter, the hearing committee shall identify all relevant mitigating factors and determine if there are grounds for reducing the period of suspension, if any. Mitigating factors include the following:
 - (i) The presence and timing of an acknowledgement of culpability/guilt by the offending Player;
 - (ii) A good record and/or good character;
 - (iii) The age and experience of the Player;
 - (iv) The Player's conduct prior to and at the hearing;
 - (v) Remorse for the Player's actions and the victim Player;
 - (vi) Any other off field mitigating factor that the hearing committee consider relevant and appropriate.
 - (b) In cases involving offending that has been classified as lower end offending, where there are compelling on-field and/or off-field mitigating features and a complete absence of on-field and/or off-field aggravating features, hearing committees may apply sanctions less than the lower end sanctions specified hereunder and, in this respect only, the lower end sanctions set out hereunder are not minimum sanctions.
 - (c) In cases of multiple offending, hearing committees may impose sanctions to run either on a concurrent or on a consecutive basis provided that the total sanction is in all the circumstances proportionate to the level of the overall offending
5. The hearing committee shall in its written decision set out the reasoning for its findings, including the finding on culpability, how it has categorised the seriousness of the offence by reference to the standard features of offending set out in this Appendix how it applied aggravating and mitigating factors and conclude with the sanction, if any, imposed.
 6. Whenever any period of suspension is imposed by the hearing committee the commencement of such suspensions may be deferred at the discretion of the hearing committee which imposed it based on this Appendix. Any suspension must be imposed until a stated date which should be fixed after taking into consideration all playing consequences of such suspension.
 7. For cases involving Illegal and/or Foul Play, the hearing committee may not suspend the effect of any sanction to be imposed.
